

DECLARATION OF INTEREST TO BECOME A VENDOR

This form is the initial approach to the Market Manager by interested vendors. This application will be taken by the Market Manager to Committee for consideration. T

The committee are focussed on diversity and new products to the market, instead of duplication of current products, as these are adequately catered for.

We would encourage you to consider this if you were to apply. The committee is under no obligation to accept any application.

If accepted for consideration a request will be made for a property/site visit at a time that is suitable for applicant.

This visit is made by Market Manager and/or Committee members. Refusal for visit will result in denial of application.

Further information is available on <https://tgafarmersmarket.org.nz/become-a-stallholder/>

I/we are interested in becoming members/vendors at the Tauranga Farmers Market.

Date of Application
