

A little bit more about me!

I'm so excited to take on this role and integrate my personality and flare into our already beautiful and thriving Farmers Market. I have always been so passionate about supporting our local communities, growers and businesses in succeeding. And now I'm so privileged to be a part of these many different journeys, as I coordinate to bring everyone from stall holders, entertainers and customers together for wonderful Saturday morning's.

I have a rich history with the Tauranga Farmers Market for the last 10 years in one way or another. First working for the family stall, then a customer and as of lately the relief Market Manager. I have definitely grown up as a "Market Kid" as my family participated in other small markets as I grew up. So early and cold morning starts are no stranger to me!

I also have a wonderful background in childcare for 9 years, and have done a few years on and off working in hospitality. With all of the skills these different paths have taught me, I believe I am perfect for this role and it will be a smooth transition for everyone involved.

As the Farmers Market Manager, I am committed to creating a vibrant and welcoming atmosphere that celebrates the diversity of our local farmers and artisans. I believe that by supporting our local economy and promoting sustainable practices, we can make a positive impact on our environment and our community.

Follow us on social media for updates on our upcoming events and to stay connected with our community.

Let's grow together and please don't hesitate to stop me for a hello or eachout to me via social media or Email!

Megan McVeigh.
